18

WHEREAS, There is a documented critical and growing shortage of direct support professionals in Illinois that is directly correlated to low wages that are often below the federal poverty level; and

19

20

21

1           WHEREAS, This staffing crisis gravely impacts the quality  
2 of life and personal safety of persons with disabilities in  
3 Illinois; and

4           WHEREAS, In order to continue to enhance the lives of  
5 persons with disabilities and their families who rely on long  
6 term supports and services, community providers who employ  
7 direct support professionals must obtain the resources to  
8 recruit, train and retain a highly qualified and sustainable  
9 workforce; and

10          WHEREAS, Competition is growing for direct support  
11 professionals; job opportunities at Walmart, fast food  
12 restaurants, retail stores, the new Amazon warehouse, and even  
13 at the local donut shop often pay more than what the State pays  
14 direct service professionals; in addition, the minimum wage in  
15 Chicago is rising well above what the State currently pays  
16 direct service professionals; and

17          WHEREAS, The "They Deserve More" coalition is engaged in a  
18 statewide effort to address the staffing crisis affecting  
19 services to people with disabilities and their families in  
20 Illinois; and

21          WHEREAS, The only solution to this ever-worsening crisis is

1 to increase state funding to provide a living and competitive  
2 wage for direct support professionals; and

3 WHEREAS, Illinoisans recognize and celebrate the  
4 contributions of direct support professionals that help  
5 strengthen our communities by fostering greater inclusion for  
6 persons with disabilities; therefore, be it

7 RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE  
8 HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we  
9 declare September 11-15, 2017 as "Direct Support Professionals
