Endless Fun, Your Way

At UCP Seguin's Social Recreation Club, there's always something exciting happening! Whether you're into sports, arts, or just hanging out with friends, we've got you covered:

Boccia

Compete in this thrilling Paralympic sport! With support from trained Sports Assistants, athletes in wheelchairs can enjoy friendly competition and build their skills.

Buddy Outings

Want a more personal adventure? Grab a few friends and head out for a small group outing of your choice—think plays, movies, sporting events, or dinner. Just 1–3 participants and 1–2 staff make it a fun, flexible experience.

Big/Group Events

Our calendar is packed with themed activities like Paint & Sip, Scrapbooking, Casino Nights, and Karaoke. Plus, we celebrate holidays and host festive dances throughout the year—there's truly something for everyone!
