## SEGUIN

*Serving Community Needs In Innovative Ways*

Seguin Services, a charitable not-for-profit agency serving metropolitan Chicago, strives to integrate, enrich, and empower people with disabilities. Seguin lives its mission of "supporting adults and children with disabilities and other special needs, enabling them to be productive, valued members of society." Seguin creates job opportunities and housing options that lead to greater independence, so that men and women with developmental disabilities can live, work, and socialize as their neighbors do. In addition, Seguin provides safe and loving homes for children who have disabilities and serious medical or emotional conditions.

The Seguin CLIMB Program is designed to meet the needs of young adults with disabilities graduating from high school, to support them in meeting the challenges of adult life. Having closed its sheltered workshop in 1989, Seguin has long championed community-based services designed to provide productive, meaningful activity for persons with developmental disabilities. Through the Seguin CLIMB Program, Seguin is poised to offer its innovative services to DuPage County and surrounding communities.

## Seguin CLIMB

*Taking steps up the ladder of success*

Participants in the Seguin CLIMB program are provided with a full range of day services to enrich their lives and promote their personal growth.

Within Seguin CLIMB, program participants engage in Life Skills training such as:

- Exercise and movement therapy
- Art, dance and music enrichment
- Horticulture therapy
- Daily living skills enhancement
- Communication and social skills training
- Use of the Snoezelen Sensory Room, a specialized space designed to either heighten sensory experiences or calm individuals with emotional challenges
- Special community activities to provide real-life experiences and interactions with non-disabled individuals

In addition, individuals are offered vocational training and employment services, including:

- Food preparation and other vocational skills training in the Portillo's Learning Kitchen
- Job readiness training and job placement in community work-sites with job-coaching supports
- Vocational training and employment in Seguin businesses such as the Seguin Auto Center or Seguin Gardens & Gifts
- Volunteer opportunities in community venues

## Take Steps into Seguin CLIMB

The Seguin CLIMB Program serves men and women with developmental disabilities, ages 18 and above, with funding approved through the Illinois Department of Human Services (DHS). Private pay arrangements can also be accommodated.
