

Let The Holiday Festivities Begin!

Saturday was a beautiful day for a Holiday Parade!

For the 50th year, the Carr Family put on a show for people with disabilities. The Cindy Carr Memorial Holiday Party for UCP Seguin looked a little different again this year, but a wonderful time was still had by all. And though we were without the late patriarch Al Carr, he was definitely present in spirit sending us two glorious hours of sunshine as decorated vehicles (and participants) drove through the festive scene and collected presents of McDonald's gift cards from the Carrs and warm, fleece blankets from Mrs. Judy Scheck. Waiting underneath the trees will be cozy sweatshirts once again provided by Pacella Trucking.

The holidays have officially begun at UCP Seguin!

CREATE LIFE WITHOUT LIMITS FOR PEOPLE WITH DISABILITIES

With your help, we have already raised \$188,537 for our end-of-year giving campaign! This phenomenal total has us well on our way to having our best year yet.

But we still have more work to do in order to reach our goal. The \$105,000 in Challenge Gifts from The Greer Foundation and anonymous donors mean all gifts can be doubled through the end of the year!

Together, we are making a difference in the lives of people with disabilities in Chicagoland and beyond!

In Memory of Al Carr

It's with a heavy heart that we share some very sad news: the recent passing of Allan C. Carr, a mighty guardian angel for UCP Seguin and the people with disabilities we serve.

With his son (and longtime UCP Seguin Board member) Terry Carr, Al shares the distinct honor as the namesake of UCP Seguin's headquarters,

The Carr Center. Al and Terry and their families have been incredibly supportive of our organization since 1972, when they conducted the first of what will soon be their 50th Holiday Party for UCP Seguin, bringing holiday cheer to people with disabilities, staff, and families. Al's loving and cheerful presence helped to create a festive atmosphere with music, delicious food, and gifts for an event that has grown to entertain 500 attendees. Al will be sorely missed but was lovingly remembered at this year's Holiday Parade on December 4 at The MAX in McCook.

Al was a dedicated public servant throughout his life, and was especially helpful to UCP Seguin in his role as Cook County Commissioner. He provided crucial support for substantial Community Development Block Grants from Cook County that produced safe, accessible, energy-efficient and functionally sound homes and centers for the people we serve. He brought into the UCP Seguin orbit many friends and benefactors who have generously contributed to UCP Seguin, helping to bring life without limits to people with disabilities.

Al will be deeply missed, not only by his loving family, but by all of us at UCP Seguin. His legacy will live on in the work we do every day to support children and adults with disabilities.
